Adrienne, please see my comments and correction below.

a) In 2013, Scott's did not submit any quarterly reports to the Port or BCDC as evidenced by the absence of these records at BCDC and in an email to Adrienne Klein from Jenny Koidal, dated July xx, 2015; **Scotts submitted a calendar of committed events from April 3, 2013 through December 2014 to the Port of Oakland on 04-05-2013 with a revised copy sent on 10-01-2013. I am unable to locate any other correspondence from Scott's prior to April 5, 2013.**

(b) In 2014, Scott's did not submit the third and fourth 2014 quarterly reports to the Port or BCDC as evidenced by the absence of these records at BCDC and in an email to Adrienne Klein from Jenny Koidal, dated July xx, 2015; and **A third and fourth quarter activity report was received on October 1, 2014 noting committed bookings through December 2014.**

(c) By email dated January 13, 2014, the permittees submitted the first 2015 quarterly report, which renders it 13 days late. Scott's did not submit the second and third 2015 quarters quarterly reports to the Port or BCDC, as evidenced by the absence of these records at BCDC and in an email to

Adrienne Klein from Jenny Koidal, dated July xx, 2015. **A first quarter calendar was submitted on 1-16-2015, second quarter calendar was sent on 06-09-2015 and third qtr calendar sent on 07-01-2015.**

I owe Liz and Kelly a response to the Q3 request noting any violations of the permit provisions. Q1 was not approved due to violation in number of weekend days booked and consecutive days booked. I will work with Don to confirm actual use verses published schedules.

Please let me know if any other information is needed at this time.

Thank you

Jenni

I hear you are on vacation so I am very sorry to bother you. That said, I have a few time sensitive and, hopefully, easy to answer questions.

Jenni,

In reviewing the JLS Marketing Public Pavilion schedule emailed on 1/17/14 to Steve Hanson, in which S. Fagalde, V. Eiges, C. Morris, L. Meyer and I were copied, I see a couple of conflicts between scheduled public events and Scott's latest schedule. Therefore we cannot approve the dates in which Scott's is requesting private events that conflict with already-schedule public/marketing events.

Please let me know if you have any questions.

RE: BCDC Permit 19-85(B) – Second Quarter event schedule 2014

Dear Steve,

We are in receipt of the second quarter event schedule submitted for review and approval on March 5, 2014. Pursuant to BCDC Permit No. 19-85(B) Scott's Restaurant is required to provide the Port of Oakland with a calendar for proposed private events with the date and time of the event, including set up and take down, on a quarterly basis for review and approval.

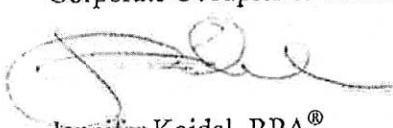

The second quarter event schedule submitted cannot be approved at this time due to the following:

- The proposed calendar exceeds the allowable use of the Public Pavilion for private events on Weekend days and nights as stipulated in Exhibit E of the Permit on two occasions.
- Events proposed currently overlap events reserved by Jack London Square Marketing events as communicated in my January 17, 2014 communication.
- The proposed calendar exceeds the number of consecutive events on two occasions.

The Port of Oakland and Cushman & Wakefield as their agent, ask that the proposed calendar of events be resubmitted for approval in accordance with the provisions stated in this Permit no later than March 17, 2014.

We appreciate your immediate attention to this matter.

One more event was just added, that inadvertently was cut off. It is attached to this latest. It is here now. Any adjustments will be reported. Thanks for your consideration.

Steve and Steve,

I don't have any questions but need to point out the following:

1. The calendar is to be submitted to the Port/Port's designee for approval, on a quarterly basis for each quarter. Until we have BCDC's approval to amend the permit, I cannot approve Pavilion reservations beyond June 30, 2013.
2. Taking into account all of the events that have already occurred in the Pavilion this year, Scott's will exceed the maximum number of events allowed under our BCDC permit. Pavilion events are tracked and reported to BCDC, so please tell me how you wish to proceed.

3. I will need to speak to JLS Marketing about public events scheduled for 2014 as there may be conflicts with those listed. I will follow up with you on that.

Linda, could you check this schedule to make sure there are no public vs. private reservations?

Until we are able to amend the existing BCDC permit, I must abide by the current provisions.

Thanks.
